Refuse Disposal Service at Harriman State  
Park

No.	IFB Section	IFB Page	Question	Response
1	Attachment 1		1. Attachment 1 states the estimated tons/pick-ups are 4250 tons and 250 pickups is that for 1 year? Also, on that point can you for the last two years give us the amount of pick-ups and tonnage?	The estimated tons/pick-ups provided on Attachment 1 are for the life of the contract, five (5) years. OPRHP guarantees no minimum or maximum usage. For the last two years, the average usage was approximately 40 pick-ups and 500 tons.
2			1. Can you give us the current pricing and last bid results for this contract please?	This information is not available at this time.
