OP28700

UTVs for Park Ranger Program

6/29/2023

No.	Question	Response
1	In the minimum specifications you are requesting plow mount integration do you want the plow attachment quoted as well?	OPRHP is not requesting prices for plow attachments.
2	We have UTV's, They're Commercial Greenworks Battery operated, will you accept a battery operated UTV as substitute?	OPRHP declines the request to accept battery-operated UTVs.
3	If a bidding company is in another state can they obtain the proper registrations and licenses to do business in New York immediately after they've been awarded the contract?	Bidders are not required to be registered in NYS to respond to this bid.
