Psychological Evaluation of Park Police Officer Candidates

No.	IFB Section	IFB Page	Question	Response
1	2.1.1	9	The IFB states OPRHP anticipates 2 testing sessions per year with approximately 275 candidates per session. Is it required that all 275 candidates be tested on the same day?	Testing dates are determined by location capacity and the number of candidates. If the number of candidates exceeds location capacity, or is too large to facilitate in one day, testing would be broken up but will need to take place on consecutive days until complete.
2	2.2.3	10	Reports must be delivered to OPRHP within 6 weeks of written exam. Could you please clarify that this allows 6 weeks from testing to complete the interview and final reports for candidates?	Yes.
3	2.2.1	9	Could you please advise what testing instruments are currently utilized?	This is proprietary to the current vendor. Any testing instruments that fulfill the submission requirements, found in section 2.1.1 Stage One: Candidate Written Test on page 9 of the IFB package, may be used.
4	2.2.3A	9	Could please provide a sample written report?	This documentation is proprietary to the current vendor. All requirements for the report can be found in section 2.2.3-A.
5	2.3.2	11	Is testimony expected to be in person or telephonic?	The testimony format will be dictated by agency counsel based upon the nature of the case for which the testimony is required.
6	3.6	13	Who is currently contracted to provide the services outlined in the IFB?	Law Enforcement Psychological Services
7	3.6	13	What are the current contract rates for the services outlined in the IFB?	This question is not relevant to the current IFB.
8	2.2	10	Could you please provide us with a sample written narrative assessment report?	This documentation is proprietary to the current vendor. All requirements for the report can be found in section 2.2.
9	2.1.1	9	Will OPRHP allow for tests to be administered online with remote testing if the contractor is able to provide remote monitoring?	At this time there is no plan for online testing with remote monitoring.

10	3.4.4	14	What are the MWBE requirements for this contract?	MWBE requirements can be found on page 1 of the IFB; 0% Minority Business Enterprise Participation and 0% Women's Business Enterprise Participation. For this procurement, OPRHP requests that Good Faith Efforts are taken to include MWBE vendors where there is subcontracting availability. These efforts should be documented as, if asked, you must be able to produce a record of the actions taken to include the MWBE vendors.
