1	2.1	8	Will alternative locations for dumpsters at each park be approved if found to be more efficiency and cost effective?	OPRHP does not expect dumpster locations to be relocated. Alternate locations for dumpsters may be considered and will be approved at the sole discretion of OPRHP.
2	5.13	22	Can we replace language "increases or decreases will be based on the applicable CPI and may not exceed 5% of the contract rate paid during the prior term" to "All fees will be increased annually on the anniversary of each year of the Term by percentage equal to the greater of (a) 5.0% of (b) the year-over-year percentage change in the Consumer Price Index for Garbage and Trash Collection?"	OPRHP denies this request.
3	5.13	22	Is there an allowance for a price increase because of uncontrollable landfill disposal increases or recycling processing fees with 30-day notice?	The IFB does not allow for such an increase. Price adjustments can be made in accordance with the IFB, including Section 5.13 CPI Price Adjustments.
