Once you enter the site and park, you will go over a small bridge (over the railroad) and follow the access road to a fork. Parking for visitors to the mansion, for tours and programs, is on the left fork. Additional parking is on the right fork. If you reach the mansion's south parking lot and it is full, please drive in front of the mansion and down the hill on the north side, and you will reach another parking lot. The entrance to the mansion is on the south end of the building, on the river side of the house. The accessible ramp, however, is on the north and east side of the house. If you prefer to use the ramp, you can call us in advance, and we can assist you with entrance to save you some walking: (845) 889-8851
