Ojugwan Path - More Difficult

Appalachian Way - Most Difficult

Stay Alert - Conditions Change
On the trails, the depth and condition of the snow can be affected by skier use and variable weather conditions. The ground surface is uneven; please be alert for rocks, brush and bare spots.

Trail Safety

- Select tours to meet your ability level.
- If skiing on the lake, stay on the groomed areas.
- Before departing, check trail conditions.
- Follow trail direction signs. Ski to right on 2 way trails.
- Never ski/snowshoe on a closed trail.
- Descending skiers have right of way; always maintain control of your speed.
- Do not stop on any slope or trail where you might cause a collision with skiers or snowshoers.
- When crossing any road, remove skis/snowshoes and watch for traffic.
- Trail grooming is routinely in progress on trails; be prepared to step aside to allow equipment to pass.

We hope your visit was enjoyable. Each season we strive to improve our trails, services and programs. Your feedback is welcome.

Park Guidelines

- All trails close at 4:30 PM
- Gate is locked at 5:00 PM; please allow sufficient time to return to your car
- Report accidents to FWP Staff
- Hiking is prohibited on groomed trails
- Sorry, no pets on trails
- Do not litter; carry out what you carry in
- Snowmobiles and ATVs are not permitted

Road Crossing
For your safety - remove skis and snowshoes when crossing any road
