General

Maintain the trail system for designated uses including hiking, biking, horseback

riding, cross country skiing and snowshoeing. • Improve the trail system through upgrades

to unsustainable sections of trail and closure of some undesignated trails.

 Improve trail signage including trailhead and trail intersection signage.

• Allow hiking and snowshoeing on all existing, newly developed and newly designated trails. Enhance equestrian and mountain

biking opportunities.

 Designate certain trails and a seasonal road for ungroomed cross country skiing. • Enhance trailhead parking facilities in a

number of locations. Increase interpretation of natural, cultural

and historical resources along trails and through other media.

 Continue and expand coordination with volunteer groups for the development and maintenance of the trail system.

• Develop a long-term maintenance and monitoring plan, including a Summit

Stewardship Program/Volunteer Ambassador Program, to ensure continued sustainability of the trail system.

 Maintain and enhance connections to external trail systems and surrounding communities.

Hubbard Lodge vicinity

Develop a new formal parking area at

Hubbard Lodge including space for horse trailers.

• Develop a multi-use trail to the northeast of Hubbard Lodge off School Mountain Trail.

Highlands Trail

 Routing for the Highlands Trail will be Further reviewed and assessed.

Round Hill vicinity

 Designate/Develop a hiking only trail from the parking area on Route 301 north to School Mountain Trail.

• Designate a hiking only trail along Clove Creek from the parking area on Route 301 to connect into the Perkins Trail.

Canopus Lake Day Use Area and Pelton Pond Campground Area

• Designate some of the currently winter use only trails for summer use (hiking only and multi-use trails). Construct a bridge over Route 301 near

beach/campground entrances. Install signage on connector trails from campground road to Pelton Pond.

Fahnestock Winter Park

 Increase the groomed cross country ski trail system with an additional loop around Stillwater Lake. Maintain existing marked snowshoe

trail system.

Dicktown Road Area

Develop a hiking/biking loop trail east of the Taconic State Parkway.

Roaring Brook Area

Conduct future assessments for designation/ development of multi-use (hiking/biking/

equestrian) trails.
Coordinate with DEC for parking access through the California Hill State Forest.
