Safety Hints

- ◆ Keep campfires contained; extinguish them before leaving your campsite.
- ◆ Do not burn charcoal inside any tent, camper or other structure. Burning charcoal emits toxic fumes.
- ◆ Swim in protected areas only.
- ◆ Notify park personnel of any safety hazards, i.e., dead tree limbs overhanging campsite.
- ◆ There may be bear activity in this area. Bear habitat guidelines must be followed at all times
- ◆ Dispose of garbage and waste-water in proper receptacles to eliminate health hazards and discourage unwanted guests such as rodents and other wildlife pests.
- ◆ Do not feed, attract, or harass raccoons or any wildlife.
- ◆ Stay on established trails. Use trail maps where available.
- ◆ Always use a flashlight when walking in camp at night.
- ◆ Be alert to the presence of ticks which can attach themselves to your skin. If you find that you have been bitten by a tick, you should obtain treatment.
