Recognizing that swimming carries with it inherent risks and in view of PARKS' mission to provide "...safe enjoyable recreational... opportunities...", the following guidelines have been instituted and shall apply to all youth organizations seeking approval for organized outings to Long Island State Parks when those outings are to include swimming or bathing by youth organizations:

- A. Children under ten (10) years of age shall not be permitted to engage in ocean swimming or bathing.
- B. When youth organizations are brought into the water for swimming or bathing of any kind, the youth organization will provide for a counselor-to-youth ratio of no less than 1 to 6 and will utilize the buddy system as noted in the NYS health code.
- C. Before any attempt is made to enter the ocean, the youth organization's group leader must first report to the main lifeguard stand and show the permit issued by Long Island State Park Region to the lifeguard officer in charge of the main stand. The youth organization's leader must ask the head lifeguard where the group should enter the water. (NOTE: IT REMAINS WITHIN THE DISCRETION OF THE LIFEGUARD IN CHARGE TO PROHIBIT BATHING IF, IN THE JUDGEMENT OF THE LIFEGUARD, WATER CONDITIONS DO NOT ALLOW FOR SAFE BATHING).
- D. Youth organization operators are responsible for maintaining effective control of their groups' litter by placing it in trash receptacles provided on the beachfront. They will also assure that their groups do not occupy licensed concession premises or otherwise prevent concession customers from using sales and seating areas within those licensed premises, unless youth organization members make appropriate sales. The youth organization operators are also responsible for assuring that comfort stations are not used for any other purpose including changing clothes and bathing/showering since there are facilities provided for those purposes within the park.
- E. No more than 50 children will be permitted at any one oceanfront at any one time to ensure effective surveillance of the waterfront by lifeguards. State park facilities at which swimming or bathing will be permitted and the maximum number of youths for which a permit may be issued are specified below:
