Guidelines for Use

The Empire Pass permits unlimited vehicle access to most facilities operated by the New York State Office of Parks, Recreation and Historic Preservation and the New York State Department of Environmental Conservation (see the enclosed listing).

Please review the following rules to assure uninterrupted use of your Empire Pass.

- The EMPIRE PASS does not guarantee parking when the park is at maximum capacity. Parking is available on a first-come, first-serve basis and does not allow for early entry prior to park hours.
- The EMPIRE PASS is valid any day from the date of purchase through December 31st for the year purchased. There is no discount if the pass is purchased in later months.
- The EMPIRE PASS is shareable. It allows entry of the vehicle when the card is presented at most New York State parks, Department of Environmental Conservation forest preserve areas, boat launch sites, arboretums and park preserves. Please refer to the facilities listed in the “Where to Visit” section of this document.
- The EMPIRE PASS does not guarantee free vehicle entry into the park when special events occur and are operated by other organizations.
- The EMPIRE PASS does not include waiver of fees for camping, golf, museum or historic site admission and other special activity fees are not included.
- The EMPIRE PASS is usable for all motor vehicles except those used in the business of transporting passengers for hire including public or private buses, shuttles, taxis, limousines, or other livery vehicles. *Commercial vehicles are generally prohibited on parkways in the State Parks system. Use of an Empire Pass to enter a facility does not waive these restrictions on commercial vehicles from driving on parkways. Contact the appropriate regional office for information on parkway restrictions.
- The EMPIRE PASS does not guarantee free vehicle entry into the park when special events occur and are operated by other organizations.
- The EMPIRE PASS will not be accepted if it has been altered in any way.
- Do not puncture a hole in the Empire Pass Card. Puncturing a hole will destroy the technology inside of the card, and the card will become unusable. Damaged cards are subject to a replacement fee.
- The EMPIRE PASS must be presented upon entry to the facility. Without the pass, you will be required to pay the vehicle entry fee.
- The EMPIRE PASS is not refundable. If it is lost, stolen, damaged or destroyed, it is replaceable with a fee. A replacement may be issued in person or by mail.
