

# FORCES

Friends of Recreation, Conservation  
and Environmental Stewardship

Parks, Recreation  
and Historic Preservation

FORCES mission is to engage New York State college students to simultaneously improve OPRHP resources and enrich student academic, recreational, and career opportunities.

## 2016 FORCES STEWARDS: THE FORCE BEHIND FORCES

Levi received his bachelor's degree in outdoor recreation and natural resources management from SUNY Cortland. He is from Oneonta, NY and loves to hunt, fish, hike, and trail run. He hopes to plan meaningful education programs, events, and interpretive hikes through his involvement in the FORCES program.

Kinsey is a Junior Conservation Steward at Ganondagan State Historic Site. She has a passion for environmental conservation and works on projects including the Cultural Garden. Kinsey plans to continue working in conservation at Ganondagan.

Brandyn is an Invasive Species Management Steward and the FORCES Club President of SUNY Geneseo. His major is geography and has interests ranging from conservation, ethics, research, ecology, and resources management. Originally from Ballston Spa, NY Brandyn wants to focus on graduate school pursuing a master's degree in public administration, and a PhD in Environmental Science. He hopes to land a role impacting conservation by leading a land conservancy or a position in state or federal government.

Jake is an Invasive Species Management and Conservation Steward. He attends Ithaca College majoring in environmental studies. Jake is from Vestal, NY and he enjoys the outdoors, and reading. When he graduates Jake would like to work for the government working in environmental justice and sustainability.

**Mary Benincasa**  
Conservation Steward

Mary is working on the Green Plants Trail at Ganondagan State Historic Site. She is finishing her associate's degree in natural resources conservation at Finger Lakes Community College. She enjoys being a part of the Woodsmen Team and the Wildlife Society Club. She interned at Cumming Nature Center as a Forest School Instructor and led Primitive Pursuits skills. She also enjoys arts and crafts, music, and cooking.

**Emelia Breen**  
Culture and Com. Steward

Emelia is a Culture and Communication Steward at Ithaca College majoring in communication. She is from Brooklyn, NY and enjoys the outdoors and finding new places to explore. She hopes to work for a museum, theatrical group or film festival and bring awareness to social injustices. She has interest working with immigrants from Latin America and hopes to highlight human rights issues.

**Wendy Burgess**  
Com. Cons. Steward

Wendy is a Community Conservation Steward and is a recreation resources graduate student at SUNY College of Environmental Science and Forestry. Originally from Binghamton, NY Wendy's professional and educational interests include water quality monitoring and management, urban environmental science, and education and outreach.

**Nicole Carey**  
Conservation Steward

Nicole is a Conservation Steward at Green Lakes State Park. She attends SUNY College of Environmental Science and Forestry majoring in natural resources management. She is from Tupper Lake, NY and enjoys the outdoors, hiking with her dog Karma, photography, music, and supporting her local community. She would like to start her own photography business in the future, hopes to be published in National Geographic Magazine and plans to travel the globe when she finishes school.

**Zachary Connor**  
Invasive Sp. Mgt, Steward

Zachary is majoring in environmental science and minoring in biology at Ithaca College. He is from Islip, NY and enjoys watching football, reading, and is a varsity wrestling starter. He hopes to work with the US Fish and Wildlife Service of the NYS DEC in land conservation or invasive species management in the future.

**Rebecca Cosgrove**  
FORCES Project Steward

Rebecca attends Onondaga Community College majoring in Liberal Arts and Math & Science. She enjoys swimming, hiking, gardening, sipping tea, baking, and spending time with her family, friends and animals. Her goals include visiting Europe and she hopes to make it to New Zealand. Rebecca plans to join the Coast Guard and also pursue a bachelor's degree in Environmental Health. Most importantly, Rebecca strives to become a better version of herself every day!

**Shania Dauphinas**  
FORCES Club President

Shania is the Fall 2016 Wells College FORCES Club President. Her major is environmental science and biology. She is from Lawrenceville, PA and enjoys nature and hiking. She hopes to increase club membership while she is the Club President and accomplish many projects at State Parks.

**Courtney DeOrdio**  
Environmental Ed. Steward

Courtney is an Environmental Education Steward attending SUNY College of Environmental Science and Forestry. Her major is environmental education and interpretation and minors in recreation resources and protected area management. She is from Tully, NY and enjoys hiking, camping, fishing, and hunting. She hopes to work for the National Park Service out West and is also interested in wilderness therapy.

**Nick Dietschler**  
Invasive Sp. Mgt. Steward

Nick works for the NYS Department of Environmental Conservation in forest health surveying and received his bachelor's degree in conservation biology from SUNY ESF. He works with hemlock and balsam woolly adelgid species across the state. Nick is from Manchester, NY and plans to continue his education in conservation biology or forest health. When he's not working in forests, Nick enjoys hiking, camping, gardening, bee keeping, botany, and fishing.

**Lukas Evans**  
Conservation Steward

Lukas attends Cazenovia College majoring in environmental biology. He is also a FORCES Ambassador to the college. He is from Central Square, and enjoys videogames, movies, books, and music in his free time. He hopes to go to graduate school and earn his PhD, and travel in the future to see famous museums.

Shannon is a Conservation Steward and Environmental Communications Steward. She graduated from SUNY College of Environmental Science and Forestry with her MPS in Environmental Studies and Communication. She is from Bayport, Long Island and enjoys hiking, biking, reading, and music. She hopes to gain experience in community outreach and engaging the public and becoming certified in ecotherapy.

Jason is the Fall 2016 SUNY Oneonta FORCES Club President. His major is geography. Originally from Wellsville, NY he enjoys hiking, dirt races, and sports. After he graduates Jason hopes to work for NY State Parks and to also be a wrestling coach.

Michael is an Invasive Species Management Steward attending SUNY Cortland. His major is biology and chemistry. He is from Pine Bush, NY and enjoys sports, hiking and watching movies. He hopes to pursue a master's degree in fish and wildlife management.

Alyssa attends St. John Fisher College majoring in biology and sustainability. She is from Kirkville, NY and enjoys reading, exercise, and animals. She hopes to learn a lot from her position in the FORCES program, and meet awesome people.

Stephen attends SUNY ESF majoring in Conservation Biology with a minor in Native Peoples & the Environment. His other interests include conservation, restoration, mycology, fire ecology, agriculture and food systems, and UAVs. He also enjoys drinking coffee, music and sound, photography, video games, backpacking, snowboarding, soccer, and the road less traveled. His goals include traveling, getting a PhD, joining the Peace Corps, starting a subsistence farm, and continuing to strive for a healthy, sustainable human-and-nature coexistence.

**Ashley Gingeleski**  
FORCES Club President

Ashley was the Spring 2016 Wells College FORCES Club President and graduated with her bachelor's degree in environmental science. She is from Syracuse, NY and is interested in ecology, agriculture and food systems. She hopes to become an ecologist and perform environmental research and field work.

**Hannah Greather**  
Invasive Sp. Mgt. Steward

Hannah is an Invasive Species Management Steward at Chittenango Falls State Park. She attends Cazenovia College majoring in Environmental Biology. Originally from Williamstown, MA she is interested in the impacts of invasive species on endangered species. She also enjoys yoga and hiking in her spare time. Her goals include finding a way to sustainably control herbaceous invasive species.

**Rebecca Groff**  
Conservation Steward

Rebecca attends SUNY College of Environmental Science and Forestry majoring in conservation biology. She is from Osceola Mills, PA and enjoys hiking, kayaking, drawing, painting, and reading. She plans to graduate college and work in conservation and restoration with a state agency.

**Alexandra Grove**  
Environmental Ed. Steward

Alexandra is an Environmental Education Steward and attends SUNY ESF as an environmental biology major. She is from Mexico, NY and enjoys hiking, reading, and spending time with friends and family. Her goals include creating more educational opportunities at New York State Parks.

**James Hanmer**  
FORCES Club President

James is the Spring 2016 Le Moyne College FORCES Club President. He graduated majoring in environmental science systems and minored in philosophy. He is from Cicero, NY and enjoys hiking, CrossFit, fishing, and sports. He hope to work in environmental remediation and travel to national parks and landmarks throughout the United States.

**Caitlin Hawley**  
FORCES Club President

Caitlin is originally from Camillus, NY and attends Hartwick College. She is the FORCES Club President. She is a geology and environmental science major with a minor in environmental science and policy. Her interests include the environment, animals, volunteer work, and sports. She enjoys hiking, fishing, playing tennis, and spending time with friends and family. She plans to pursue a career in geology and environmental policy.

**Nichole Henger**  
Nat. Res. Mgt. Steward

Nichole graduated SUNY ESF with a MS in forest and natural resource management. She has a bachelors in environmental biology, from Dayton University. She is originally from Dayton, Ohio and is interested in creating a more sustainable world. When Nichole graduates she plans to find a career working in environmental policy. She feels that the FORCES program is the perfect opportunity for her to get hands on experience with the state parks.

**Samantha Hollister**  
FORCES Club President

Samantha is the Fall 2016 FORCES Club President for SUNY College of Environmental Science and Forestry. She majors in conservation biology and is from Utica, NY. She enjoys running on the ESF cross country team, and hiking in the Adirondack High Peaks region. After graduation Samantha hopes to take time to hike part of the Appalachian Trail and volunteer in the Peace Corps in environmental education.

**Nina House**  
Conservation Steward

Nina is a Conservation Steward and also the FORCES Ambassador to SUNY Oswego. She is from Phoenix, NY and enjoys hiking with her dog, reading, and photography. After graduating college she plans to either attend graduate school or pursue careers in conservation or water management.

**Diana Jagde**  
Invasive Sp. Mgt. Steward

Diana is an Invasive Species Management Steward and Community Conservation Steward. She attends SUNY College of Environmental Science and Forestry majoring in Environmental Studies and minoring in Writing and Rhetoric, Recreation Resources, and Protected Area Management. She enjoys hiking, kayaking, cooking, drawing, and her pet birds. Diana hopes to successfully own and manage a farm sanctuary for animals that have been affected by the meat industry and give them a loving place to carry out the rest of their lives.

**Megan Jarvis**  
Conservation Steward

Megan attends SUNY College of Environmental Science and Forestry majoring in conservation biology. She is from North Syracuse, NY and enjoys music, sports, and cooking. Her goals include improving public health and furthering sustainability through implementing laws and policies.

**Cara Keogh**  
Community Cons. Steward

Cara is the Community Conservation Steward for the Onondaga County Federation of Sportsmen Women in Nature Program. She attends SUNY College of Environmental Science and Forestry and majors in forest resources management. She is from Massapequa, NY and is interested in urban forestry, hiking, and long distance running. She hopes to become a part of the NCCC AmeriCorps program after graduation.

**Cody Kessler**  
Conservation Steward

Cody is earning her MS in conservation biology at SUNY ESF researching captive breeding of the federally endangered Chittenango ovate amber snail. She is successful in breeding a COAS population in the lab. Originally from Moravia, NY she enjoys playing guitar, campfires, and living simply. She is interested in improving our knowledge of understudied species, and hopes to continue to learn and contribute to conservation species to the best of her ability.

**Sarah Kirkpartick**  
Conservation Steward

Sarah attends SUNY College of Environmental Science and Forestry majoring in environmental biology. She is from North Syracuse, and enjoys painting, hiking, and traveling. She hopes to improve her community and protect diversity of wildlife in the parks she grew up to love.

**Haley Korcz**  
Conservation Steward

Haley attends Cazenovia College majoring in environmental biology. She is from Erieville, NY and enjoys learning new things and seeing new places. She hopes to have a job she is happy to do every day.

**Erica Mackey**  
FORCES Club President

Erica is the Fall 2016 FORCES Club President at Le Moyne College and majors in environmental science systems. Originally from Ballston Lake, NY Erica loves to be outdoors camping, hiking, kayaking, and fishing. She loves to work with children. Erica plans to earn her master's degree and incorporate fieldwork and educating children into her career. She hopes to make a sustainable and environmentally friendly world for us all.

**Jackie McCabe**  
Env. Education Steward

Jackie attends SUNY ESF pursuing a M.S. in Environmental Interpretation. She is originally from Cicero, NY and the outdoors and environmental education are her passions! In Jackie's free time she enjoys cooking large family-style meals that create lots of left overs, watching the food network, and relaxing with her family and husband, Joshua. She hopes to pursue a PhD in Environmental Education or a similar field to eventually become a college professor in her field.

**Sydney McCombie**  
Conservation Steward

Sydney attends Onondaga Community College majoring in environmental technology. She is from Mexico, NY and is interested in the environmental science field. She hopes to continue her education pursuing a master's degree in environmental engineering.

**Sara McNamara**  
Invasive Sp. Mgt. Steward

Sara is majoring in conservation biology at SUNY Cortland. She is from Homer, NY and enjoys the outdoors. She hopes to study abroad, attend veterinary school and work at an animal sanctuary in the future.

**Paula Merkle**  
Env. Education Steward

Paula attends Ithaca College majoring in Anthropology and is a FORCES Environmental Education Steward. Originally from Vernon, VT, she is an active member of the FORCES steward team and enjoys concerts, swimming, and hiking in her free time. After she graduates, Paula plans to attend graduate school and apply the things she has learned to making an impact on the world.

**Kathryn Meyer**  
Community Cons. Steward

Kathryn is a Community Conservation Steward for the Onondaga County Federation of Sportsmen Women in Nature program. She is also the secretary of the Le Moyne College Club. She majors in environmental science systems. Originally from Liverpool, NY Kathryn likes to hike, run, and work with kids. She hopes to go on to get her graduate degree in environmental engineering or environmental policy.

**Claire Michaud**  
Nat. Resources Steward

Claire attends SUNY College of Environmental Science and Forestry and majors in conservation biology. She is from Honeoye Falls, NY. Claire enjoys hiking and snowboarding. She would like to hike all 46 Adirondack High Peaks and also pursue a career in habitat restoration or fisheries.

**Chloe Miller**  
Invasive Sp. Mgt. Steward

Chloe attends Ithaca College majoring in biology. She is from Pottstown, PA and enjoys snowboarding and the circus. She hopes to become a conservation biologist or land manager in the future.

**Alden Morris**  
Conservation Steward

Alden is a Green Lakes Conservation Steward working in the Bird Conservation Area. He attends SUNY College of Environmental Science and Forestry majoring in landscape architecture. He enjoys horticulture, technology, obstacle races, and putting in hard work on his semester projects. He hopes to work for Google, own his own consulting firm, and go into teaching part time at Harvard University.

**Selene Munoz**  
Conservation Steward

Selene attends SUNY College of Environmental Science and Forestry majoring in environmental science. She is originally from Bronx, NY and is interested in GIS, agricultural management, and natural resources conservation. She hopes to become well rounded in her career field and help different communities learn about the natural world.

**Angela Paul**  
Conservation Steward

Angela attends Wells College majoring in environmental science. Originally from Fulton, NY Angela enjoys working with endangered species and managing invasive species. Her goals through the FORCES program include educating beachgoers and the community about endangered species and sanctuaries, and how to control invasive species within ecosystems.

**Sara Peterson**  
Conservation Steward

Sara graduated with her bachelor's degree in environmental biology from Cazenovia College. She is from Wantagh, NY and enjoys animal tracking, boating, and horseback riding. She hopes to educate the public about the environment and protecting organisms within New York State.

**Alexis Pike**  
Invasive Sp. Mgt. Steward

Alexis attends SUNY Geneseo majoring in biology. She is originally from Watkins Glen, NY and enjoys hiking, running, motocross, and camping. She hopes to one day make a difference in conserving NYS parks while educating the public.

**Courtney Pitman**  
Data Management Steward

Courtney is a FORCES Park Planning and Data Management Steward. She graduated from SUNY College of Environmental Science and Forestry majoring in environmental studies with a concentration in policy, planning, and law. She is originally from Skaneateles, NY and is interested in both state and federal laws regarding the preservation of natural, cultural and historical resources. She enjoys exercising and writing poetry in her free time. She believes that everyone can make a difference.

**Jensen Porter**  
Community Cons. Steward

Jensen is the Le Moyne College FORCES Club secretary and a Community Conservation Steward working on the Women in Nature program through the Onondaga County Federation of Sportsmen. She studies environmental science systems. She is from Shortsville, NY and enjoys reading and playing soccer in her free time. She hopes to get a job educating individuals on environmental issues.

**Ben Rodgers**  
Conservation Steward

Ben is the Fall 2016 Vice President of the Le Moyne College FORCES Club and a Conservation Steward for the FORCES program. He majors in environmental science systems. Originally from Endicott, NY Ben enjoys playing music and being outdoors. He hopes to work in a career that promotes the appreciation and protection of our natural resources.

**Dan Ruede**  
Conservation Steward

Dan is a Conservation Steward working on the Green Plants Trail at Ganondagan State Historic Site. He earned his bachelor's degree in expeditionary studies and environmental conservation from SUNY Adirondack. He is also a seasonal backpacking guide, and worked for the OPRHP Boat Steward program.

**Mike Serviss**  
Conservation Steward

Mike is a Natural Resource Conservation Steward and is pursuing a masters Degree in Conservation Biology at SUNY-ESF. The focus of his research is an experimental reintroduction of the American hart's-tongue fern. He also has a B.S. in Conservation Biology, focus on plant biology and ecology from SUNY ESF. Mike is originally from Utica, NY, and hopes to pursue a career in conservation of endangered species worldwide.

**Kaitlyn Shanahan**  
Conservation Steward

Kaitlyn is studying environmental sciences at SUNY College of Environmental Science and Forestry. She is from Syracuse, NY and enjoys painting, bluegrass, and knitting. She hopes to bridge the gaps between sustainable practices and decision making processes in her career.

**Alivia Sheffield**  
Conservation Steward

Alivia is a Conservation Steward attending SUNY ESF. Originally from Van Buren Point, she is interested in birding, hiking, wildlife photography, camping, snowboarding, and balloon twisting! Her career goals include researching the effects of noise pollution on bird populations, mating, and migration. She hopes to own a family farm to use for informal education about sustainability and the animals in our own back yards.

**Tanner Slutzky**  
Invasive Sp. Mgt. Steward

Tanner is studying environmental sciences at Ithaca College. He is from Hunter, NY and enjoys the outdoors, skiing, fishing, hunting, and camping. In the future he hopes to start his own business in sustainable and renewable energy.

**Mackenzie Stevenson**  
Culture and Com. Steward

Mackenzie is a Culture and Communications Steward studying Spanish and communications with a minor in translation studies at Ithaca College. She is from Lehigh, PA and enjoys gardening, reading, cooking, sheep shearing, and her pets. She hopes to work in South America teaching children and continuing her work in translation.

**Brett Trainor**  
Conservation Steward

Brett attends Onondaga Community College majoring in math and science. He is from Mexico, NY and enjoys biology, hiking, and the outdoors. He hopes to finish his associates and bachelor's degrees and work in medicine.

**Alexa Tumbarello**  
FORCES Club President

Alexa was the Spring 2016 SUNY Oneonta FORCES Club President. She graduated with a bachelor's in environmental science. She has worked at Devil's Tower National Monument, and traveled to Guatemala completing research projects. She now attends graduate school at the SUNY Oneonta Biological Field Station pursuing a MS in Lake Management. FORCES has been one of the most fun clubs through her college career!

**Madeleine Ulinski**  
Env. Education Steward

Madeleine is an Environmental Education Steward and received her Bachelor's degree in anthropology from Ithaca College in 2013. She is originally from Ithaca, NY and is interested in ice hockey, SUP, hiking, and dog agility. In 2016, Maddie will begin courses at SUNY Cortland pursuing a Master's of Science degree in Recreation.

**Kyle Webster**  
Conservation Steward

Kyle is the Supervising Conservation Steward at Ganondagan State Historic Site. He attended SUNY College of Environmental Science and Forestry majoring in conservation biology and was the FORCES Club President. He is originally from Scottsville, NY and his interests include: backpacking, fishing, and learning about native plant diversity. Kyle plans to attend graduate school, climb the 46 Adirondack High Peaks (as he has 18 so far), and continue working with invasive species management.

**Kelsey West**  
Conservation Steward

Kelsey earned her bachelor's degree in environmental biology from SUNY College of Environmental Science and Forestry. She is from Coxsackie, NY and enjoys kayaking, hiking, running, and soccer. She is interested in plant conservation and ecology and environmental education. She hopes to make a meaningful difference in conservation and to enjoy new people, places and experiences along the way.

**Emily Westfall**  
Conservation Steward

Emily is a Conservation Steward working on the Green Plants Trail at Ganondagan State Historic Site. She has a bachelor's in communications from SUNY Fredonia and is now attending University at Buffalo. She hopes to merge visual arts and science to create awareness for conservation and climate change. She also hopes to pursue studies in environmental policy or oceanography.

**Julia Woznicki**  
Data Management Steward

Julia attends SUNY College of Environmental Science and Forestry majoring in Conservation Biology. Her interests include science, sketching, travel, dance, and theater. In the future Julia plans to see as much of the world as she can outside of North America and also hopes to spend a lot of her time working in the rainforest and helping improve lesser developed communities.

**Kaylyn Zipp**  
Conservation Steward

Kaylyn attends SUNY College of Environmental Science and Forestry majoring in environmental science. She is from Oneonta, NY and enjoys climbing, rowing, and writing in her free time. She hopes to continue to assist State Parks in education and outreach programs and use these skills in her career.

---

Derek Boland	Conservation Steward	St. John Fisher College
CJ Cerio	Social Media Steward	Onondaga Community College
Adriana Del Grosso	Conservation and Inv. Sp. Management Steward	Ithaca College
Julia Fairbanks	Conservation Steward	SUNY ESF
Kira Hansen	Grassland Steward	SUNY Brockport
Cameron Heasley	Conservation Steward	SUNY Brockport
Wyatt Jackson	Grassland Steward	SUNY Brockport
Tessa Janicke	Environmental Education Steward	SUNY ESF
Amanda Klaben	Plant Propagation Steward	Le Moyne College
Emma Kubinski	Junior Conservation Steward	Victor High School
Allison Massera	Environmental Education Steward	Syracuse University
Otto Meilick	Invasive Species Administration Steward	Ithaca College
Dominique Nikolaidis	Invasive Species Management Steward	Cornell University
Sam O'Connor	Conservation Steward	Onondaga Community College
Jessica Pearson	Program Planning Steward	Cornell University
Zach Pettit	Conservation Steward	G. Ray Bodley High School
Julie Powers	Environmental Engineering Steward	Buffalo State College
Mitch Riley	Program Planning Steward	Cornell University
Gwendolyn Stark	Conservation Steward	SUNY ESF
Jane Suhey	Environmental Education Steward	Corning Community College
Jake Young	Conservation Steward	Rochester Institute of Technology
Dom Zeppetella	Conservation and Inv. Sp. Management Steward	SUNY Cortland

---

The second annual FORCES Trainapalooza held on June 2nd-3rd, 2016 at Ganondagan State Historic Site.

# 2016 Western Invasive Species Strike Team

In 2016 OPRHP fielded two four person Invasive Species Management Strike Teams to preserve and protect our park lands, forests, waters from the threats posed by invasive species. This is the fifth year of this program. The western team, housed at Clark Reservation State Park reported that they worked on 19 types of species at 21 state parks and college campuses. They covered the Central, Finger Lakes, Genesee, Niagara, Allegany, and Thousand Islands regions.

Phil attends SUNY College of Environmental Science and Forestry majoring in conservation biology. He is from Pennsburg, PA and enjoys playing music, hiking, bird watching, camping, and ecology just to name a few. He hopes to travel to tropical coral reefs, and build a cottage in the woods in part of a community in the future.

Melissa attends SUNY College of Environmental Science and Forestry majoring in environmental biology. She is from Taberg, NY and enjoys hiking, kayaking, gardening, golfing, birding, and foraging. She hopes to continue to travel the U.S. and the globe, gain more experience with seasonal positions in fieldwork, and gain a career in education and interpretation working with children.

Sienna graduated from SUNY College of Environmental Science and Forestry with a bachelor's degree in conservation biology. She is from East Irondequoit, NY and enjoys botany, art, camping, snowboarding and gardening. She hopes to gain more experience with invasive species management, further her botanical knowledge, and travel before going to graduate school.

Dallas is the Western Invasive Species Strike Team Supervisor. He attends Finger Lakes Community College majoring in natural resources conservation and law enforcement. He is from Jamestown, NY and loves to kayak, hike, mountain bike, camp, and hunt. As the Strike Team Supervisor, his goals include doing the best he can in his position and growing in the field of conservation in this career path.

## 2016 FORCES CLUB OFFICERS

Spring 2016

Caitlin Hawley, President  
Sara Tucker, Vice President  
Jess Henderson, Treasurer  
Selena Dardia, Secretary

Fall 2016

Caitlin Hawley, President  
Liz Karson, Vice President  
Sam Berberich, Treasurer  
Rebecca Nathan, Secretary

Faculty Advisor: Zsuzsanna Balogh-Brunstad, Department of Chemistry

Spring 2016

James Hanmer, President  
Evan Candee, Vice President  
Erica Mackey, Treasurer  
Brynn Furnace, Secretary

Fall 2016

Erica Mackey, President  
Ben Rodgers, Vice President  
Kathryn Meyers, Treasurer  
Jensen Porter, Secretary  
Alyssa Ricci, PR

Faculty Advisors: Chad Corcoran, Department of Biological Sciences

Spring 2016

Kyle Webster, President  
Brigitte Wierzbicki, Vice President  
Cara Keogh, Treasurer  
Rozy Mori-Millet, Secretary  
Radka Yang, Social Chair

Fall 2016

Samantha Hollister President  
Kaylee Townsend, VP  
Sam Benedict, Treasurer  
Rozy Mori-Millet Secretary  
Adelaide Dumm, Social Media

Advisor: Brandon Murphy, Project Coordinator, ESF Outreach Office

Spring 2016

Brandyn Balch President  
Ryan Colling, Vice President  
Kayla Ventura, Treasurer/Historian  
Kayley Hallahan, Secretary  
Corey Henson, Service Coordinator  
Kyle Sanduski, Education Coordinator  
Amelia Mindich, PR

Fall 2016

Brandyn Balch, President  
Ryan Colling, Vice President  
Kayla Ventura, Treasurer  
Amanda Paratore, Secretary  
Corey Hensen, Service Coord.  
Kyle Sanduski, Ed.Coord.  
Amelia Mindich, PR

Faculty Advisor: Jim Kernan, Geography Department

Spring 2016

Alexa Tumbarello, President  
Courtney Walsh, Vice President  
Eddie Bossong, Treasurer  
Kaylie Allen Secretary  
Tara Litvin, PR

Fall 2016

Jason Fanton, President  
Alison Rickard, VP  
Becca Rogers, Treasurer  
Grace Maecker, Secretary  
Kaylie Allen, Secretary 2

Advisors: Donna Vogler, Biology Department, James Mills, Geography and ES Department

Spring 2016

Ashley Gingeleski, President  
Andrea Gould, Vice President  
Aaron Heisey, Treasurer  
Leslie Green, Secretary

Fall 2016

Shania Dauphinais President  
Anastasia Toumpas, Vice President  
Leslie Green, Treasurer  
Aaron Heisey, Secretary

Faculty Advisor: Jackie Schnurr, Department of Biology
