

Allan H. Treman State Park Seasonal Slip Applications

Seasonal Slip Applications: Boaters can begin selecting slips for the 2022 season on February 1st, 2022. The application process is **2 steps**.

Step 1: Boaters should select and pay for the appropriately sized slip according to overall length of their vessel by going to [Reserve America](#). Once the conditional slip reservation is made, boaters will receive a confirmation email from Reserve America with a Link to Step 2.

Step 2: Click the link in your confirmation email to complete the electronic Slip License Agreement via DocuSign. You will need to upload a copy of your boat registration; proof of adequate Marine Protection and Indemnity insurance*; and a boater safety certificate if appropriate (based on age of boater).

* During the term of this license, Licensee must hold a policy of marine protection and indemnity insurance for the licensed boat covering bodily injury, damage to property other than the boat itself, and oil spills with a minimum liability limit of \$300,000.

NOTE: Boaters will need to complete all parts of the application process ***within 10 days*** of making the initial reservation. If the slip agreement, insurance, and registration information are not complete within 10 days, the initial reservation will be voided and refunded, and the selected slip will be placed back online for reservation by the public.
