The availability of water may be limited before Memorial Day and after Columbus Day.

Boaters are not allowed to assign, sublet or transfer slips, directly or indirectly. Overnight occupancy of camping units is not allowed in the marina.

Please keep your slip neat and orderly. Runways and boardwalks should be kept clean at all times. Rowboats, dinghies and other accessory equipment must be kept within the confines of the assigned slip.

Heads (toilets) shall be dumped in the designated on-shore dumping stations only. All accessory items and personal belongings must be removed from marina at end of slip agreement period, failure to do so could jeopardize future slip assignment.

Open fires are not allowed in the marina. Any conditions aboard or around a boat that shall be deemed a fire hazard, in the opinion of the park manager, shall be removed immediately.

All applicable park, state and federal rules and regulations will be observed. The park manager reserves the right to terminate any permit, when necessary, in order to ensure the peace, comfort and safety of boaters.

Fishing is not allowed in the marina basin.

Pets must be kept under constant control and restrained by a leash not exceeding six feet in length. Proof of rabies inoculation is required in the form of a veterinary certificate. Maximum of two pets per slip.
