Allan H. Treman State Park Wet Slip Applications

NOTE: As of April 4, 2023, all boats up to 26' will be placed in oversized slips.

All of our non-electric slips have been reserved for this season, an electric slip is **\$800 + \$7.25** reservation fee for boats **18 feet and under**.

If your boat is **19 feet or above**, the fee is **\$52.00 per foot + \$7.25 reservation fee** (please be accurate about your length over all – include swim platforms, pulpits, bowsprits, etc.).

Remaining slips will be booked on a first come, first served basis. Click below to submit an application to DocuSign as soon as you're able, and then call us at 607-273-3440.

We'll check over your application and facilitate the reservation with Reserve America. You'll pay the reservation fee in total, so have a credit card handy at that time.

Please read the application carefully. You'll need your boat registration, vessel insurance and any boater safety information you've got to complete this.

- **Section 10. Insurance**

During the term of this license, Licensee must hold a policy of marine protection and indemnity insurance for the licensed boat covering ***bodily injury, damage to property other than the boat itself, and oil spills with a minimum liability limit of \$300,000.*** Licensee must submit proof of compliant insurance coverage to OPRHP upon submission of a license application or otherwise before the issuance of a license. Failure to keep insurance in effect will result in termination of this license.

- **Proof of registration is required every year.**

You can print registration details information to include with your application from the New York State DMV website. Go to <https://dmv.ny.gov> and click on **MyDMV Login** at the top right of the page. Sign into your account or sign up for an account and print your registration information from there.

If you are 39 years old or younger (born on or after January 1, 1983), you must provide a **[Boater Safety Certificate](#)** to complete your application (this applies to sail boats with auxiliary motors as well).
