

ALLEGANY STATE PARK HUNTING REGULATIONS

All federal and state laws and regulations apply to hunting in Allegany State Park, except as further restricted by the following conditions.

LICENSE AND SPECIAL PERMIT REQUIRED

All persons hunting in Allegany State Park must possess a valid New York State hunting license, applicable carcass tags and migratory game bird hunting stamp as required by state and federal laws and regulations and in addition, a hunting permit issued by New York State Office of Parks, Recreation and Historic Preservation—Allegany Region.

Allegany State Park hunting permits may be obtained at the Park Police headquarters, Quaker and Red House area rental offices or the NYS Office of Parks, Recreation and Historic Preservation website. No person shall be entitled to the privilege of hunting in Allegany State Park unless they possess a valid hunting permit and shall exhibit said permit to any police officer or other official requesting to see it.

PERMIT FORM

A valid Allegany State Park hunting permit shall consist of a valid NYS hunting license AND a valid Allegany State Park hunting permit. A hunting license and Park permit are not valid unless signed and dated.

REPORTING

Permittees are required to return the Game Report section of the permit to the Park's Natural Resource Management Department. This information will assist managers in defining wildlife management objectives.

FEE

Allegany State Park hunting permits are free of charge.

SPECIAL CONDITIONS

- (a) No person shall possess a firearm or hunt or take game in any manner whatsoever within Allegany State Park, except pursuant to a hunting permit.
- (b) This permit is valid from the Tuesday following Labor Day through the Friday preceding Memorial Day.
- (c) The taking of bears is prohibited.
- (d) No hunting within 500 feet of any structure.
- (e) Hunting is prohibited within 150 feet of ASP Route 1, ASP Route 2 and ASP Route 3.

- (f) The use of centerfire rifles is prohibited north of Bay State Road, France Brook Road and Limestone Run Road.
- (g) The use of handguns is prohibited north of Bay State Road, France Brook Road and Limestone Run Road.
- (h) Sunday hunting is prohibited north of Bay State Road, France Brook Road and Limestone Run Road.
- (i) Game Report section of this permit must be submitted to the Resource Management Department by June 15th.
- (j) Tree Stands: The erection or use of permanent tree stands is prohibited. The cutting of, placing nails or screws into, or otherwise damaging trees or other vegetation is prohibited. The erection of portable tree stands and accessory climbing devices is permitted pursuant to the following conditions only.
 - 1) Such portable tree stand and accessory climbing device must be designed to do no damage to any tree or vegetation, and be must be erected in a manner that does no damage to any tree or vegetation.
 - 2) Such portable tree stand and accessory climbing device may only be erected beginning seven days prior to the first day of early bowhunting season, and must be removed no later than April 7th of each year.
 - 3) Such portable tree stand and accessory climbing device must bear the owner's name and address, written or otherwise affixed in a clearly legible manner.
- (k) Bowfishing is prohibited on all bodies of water within Allegany State Park.

RESTRICTED AREAS

- Hunting shall be permitted in all parts of Allegany State Park (ASP), except for the area starting at a point on ASP Route 1 north of the park store where the power line intersects the highway; thence easterly along the power line to the intersection of Beehunter cabin trail; thence northeasterly along Beehunter Road to the intersection of ASP Route 2; thence southerly along ASP Route 2, approximately 350 feet to the intersection of a power line; thence northeasterly, approximately 950 feet to the National Fuel Gas Supply Corp. right-of-way; thence northerly along the National Fuel Gas Supply Corp. right-of-way to the intersection of ASP Route 1; thence southwesterly along ASP Route 1 to the intersection of ASP Route 2; thence westerly along ASP Route 2, approximately 5,600 feet to the intersection of Hemlock Hollow Trail; thence southerly along the abandoned roadway, approximately 6,800 feet to the intersection of Conservation hiking trail; thence easterly, approximately 3,000 feet along a marked line to the intersection of ASP Route 1; thence northerly along ASP Route 1, approximately 1,300 feet to the point of beginning.
- Hunting and the possession of firearms is prohibited within the established perimeter of Camp Turner.

SEASONAL ROADS

Seasonal Roads will not be maintained after November 30th of each year, and will be officially closed to vehicular traffic (except snowmobiles) the day after deer hunting season closes each year.

Reporting your game harvest:

In addition to completing the Park's game report, please remember that:

- Deer harvests must be reported within seven days to the DEC.
- You can report your harvest either by telephone (1-866-426-3778) or through the web at www.dec.ny.gov

2020-21 ASP Hunting Survey

Please indicate the seasons you participated in:

Small game **Number of hours** _____

Turkey **Number of hours** _____

Fall **Number of hours** _____

Spring **Number of hours** _____

Big Game **Number of hours** _____

Archery **Number of hours** _____

Muzzleloader **Number of hours** _____

Field Observations

One way to estimate population size of certain species in the park is through hunter interactions and observations. We would like to know how many of these species you have seen while afield:

Fisher _____

Bobcat _____

Bear _____

Turkey _____

Deer _____
