

PALISADES INTERSTATE PARKS
2025-26 BUS PERMIT PACKET FOR BEAR MOUNTAIN STATE PARK
CONDITIONS and REQUIREMENTS

Any group planning to travel to our parks with buses must obtain bus permits well in advance of their outing. Groups are required to comply with the rules and regulations of the New York State Office of Parks, Recreation and Historic Preservation and the Palisades Interstate Park Commission.

1. All applications are processed on a first-come, first-served basis. Each bus permit entitles the group to one day of recreation at the site stated on the permit and permission to travel on the Palisades Parkway. Additional fees may apply for some activities. Please inquire with us or see the enclosed information.
2. All mailed requests must be postmarked at least fourteen (14) business days, prior to the date of the outing and include the following:
 - a. Completed Application
 - b. A certified check, company check, or money order made payable to NYS OPRHP/PIPC (we do not accept purchase orders).
 - c. Separate applications and payments for separate outings

Applications that are not complete or not written clearly will be returned.

3. Bus permits are valid only for the number of buses, date(s), and Park(s) specified on the permit. Bus groups that arrive at the park without permits will be charged the on-site fee, if space is available, regardless of the group's not-for-profit status. If space is not available, the group will not be permitted to enter. If space is available at one of the nearby parks, the group will be sent there.

Please Note:

- We can not accept purchase orders
- A phone call is not a confirmation
- Bear Mountain will not be accepting buses on weekends (Saturday & Sunday) or Holidays, from May through October 2024.
