

Trail Status

Temporary trail closures in portions of Bear Mountain and Harriman State Parks due to July 2023 storm damage

Brooks Lake loop trail is open.

Popolopen Torne loop trail is open.

Hessian Lake loop trail is open.

A.T. thru-hikers only are permitted to follow the yellow-highlighted route.

For your safety, please stay on the marked trail to avoid active military training exercises.

Portions of Bear Mountain and Harriman State Parks remain closed as of late August (purple shading) due to significant damage from an extreme rainfall event in July. Even where trails may be passable, the shaded area is closed to the public and hiking is not permitted. Many road and trailhead parking lot closures are in effect.

Appalachian Trail thru-hikers only are permitted to follow the yellow-highlighted route between Anthony Wayne Recreation Area and Bear Mountain Bridge.

Be aware additional road and parking area closures may exist in this area.
