

HAVE YOU SEEN US?

We can be found on the ground or way up high!

Eastern Cottontail Rabbit

Named for its tail, which looks like a white puff of **cotton** when raised.

Eastern Gray Squirrel

They eat seeds, tree bark, different varieties of nuts, and various fungi.

Eastern Chipmunk

An adult can weigh an average of 2.8-4.4 ounces.

Northern Cardinal

They do not migrate like many other birds do during the winter.

Yellow Warbler

Most are around 7 inches long.

Snapping Turtle

They can live more than 100 years!

BELMONT LAKE STATE PARK KID'S FUN BOOK
