PARK RULES AND REGULATIONS

- The park is open from dawn to dusk, year-round. You must be parked in a designated hiker’s lot and at the trail shelter before dusk.

- Trail shelters are available on a first come, first serve basis. If the shelter is occupied, tent camping is allowed within 300 feet from the shelter only. There are no permits or fees required. Fires are only allowed in fireplaces and already established rings.

- There is no reliable source of water at these locations. Any water taken from lakes and streams should be drank with a filter, please plan accordingly.

- Horses, hunting, firearms, ATV’s and alcoholic beverages are not permitted in the park. Fishing is permitted with a current NYS fishing license.

- Swimming is only allowed at public beaches and when a lifeguard is on duty.

- Dogs are permitted if they are on a 6 ft leash at all times, please pick up dog waste.

- **HARRIMAN STATE PARK IS A BEAR HABITAT.** Please plan accordingly and clean up all garbage. Bear bags are encouraged.

**In case of emergency please call the Park Police/Troopers:**

845-786-2781 or 911

Please be advised that Route 106 from the Kanawauke Circle to Route 17, Tiorati Brook Road and Arden Valley road are closed from December 1st to April 1st and won’t be accessible by vehicle. Please plan your hike accordingly.

*Please note that these are a small sampling of possible hikes to get to the shelters, but there are plenty of other variations. You can consult the NY-NJ Trail Conference Map or the Harriman State Park Trail Map on [www.parks.ny.gov](http://www.parks.ny.gov) for more options.*
