

## Ice Skating

In

Harriman State Park

(845) 429-8257

- ❖ Ice Skating is allowed on **Lake Tiorati** and **Lake Silvermine**.
- ❖ Skaters must follow the ice safety rules.
  - Ice is only safe to go on when the Park posts a **green** sign/flag at the following locations.
    - Tiorati: Flag pole in Tiorati Circle
    - Silvermine: Ice Safety Sign on Silvermine Booth
  - This indicates the lake has an average of 6 inches of good quality ice.
  - Please call the Tiorati office prior to your trip to make sure the lake is still open. The lakes can be closed at a moment's notice depending on weather conditions.
- ❖ If there is snow on the ice, skaters are responsible for clearing a section for use.
  - **Once a section is clear, that area is available for all to use.**
- ❖ To avoid any injuries, please keep a distance of 100 ft. from Ice Fisherman and their fishing holes.
