The map provided is a representation of the Hudson Highlands State Park Preserve Hunting Area. It includes various types of land use such as parking areas, marked and unmarked trails, roads, highways, railroads, county lines, streams, 50' contours, park boundaries, and hunting areas. The map also highlights specific points of interest such as Camp Smith, Manitou, and Iona Island.

For your safety, please stay on the marked trails to avoid active military training exercises.

Legend:
