

Good Afternoon,

We are excited to share that the Roberto Clemente State Park pool facility will reopen on Friday, July 3rd. The park's pool facility includes the main pool and deck area, spray pad, wading pool, and dive tank.

As part of NY Forward's phased reopening, the pool facility will be open 7 days each week and operating on limited capacity until further notice as follows:

- Two daily swim sessions:
 - Session 1: 9:30 am to 1:00 pm
 - Session 2: 2:30 pm to 6:00 pm
- Ticket sales for each swim session:
 - Session 1 ticket sales open at 9:15 am
 - Session 2 sales open at 2:15 pm
- Swim session tickets sold first come, first served
 - All visitors must be present at time of purchase and ready to enter pool facility
- Ticket prices are \$1 (ages 4-14) and \$2 (age 15 and up).
- All ticket sales are final. No reentry upon exit, no rainchecks.

There will be new rules in place to ensure your safety at the pool facility:

- All visitors **must** arrive wearing appropriate swimwear and be ready to swim.
- Locker rooms will be closed for locker, shower, and changing use.
- No bags allowed on pool deck, only towels and plastic water bottles.
- All visitors must wear a face covering when not using the pool.
- No food or drink (other than water or formula) is allowed on the pool deck.
- In addition to these new rules, the park will also enforce

Due to the limited capacity and locker room closure, **all visitors are strongly encouraged to come ready to swim**. This includes arriving in swimwear, keeping personal items to a minimum, and using the shower and restrooms prior to arrival. NY State Parks is not responsible for storing personal items.

Outdoor showers on pool deck and restrooms will be available, but please expect a wait time for these amenities as we follow social distancing guidelines.

We look forward to seeing you at the pool starting July 3rd!

Sincerely,

Frances Rodriguez
Park Director
Roberto Clemente State Park
