

AMPLIFIED SOUND PERMIT FOR TAUGHANNOCK FALLS STATE PARK

CONDITIONS:

The use of amplified sounds only permitted at the two large picnic shelters with speakers located inside of the buildings. If permission is granted for a tent to be used in conjunction with shelter, and amplified music is to be used, then the speakers should be directed towards the areas of the park with the fewest people. An example would be at the north shelter, the speakers should be pointed towards the lake, not the busy picnic grounds or camping area.

The volume should be set to an appropriate level that does not cause a disturbance to other users of the park. Remember the use of this amplified music is a privilege not a right and your fellow park users will help determine if you continue to have this permit remain valid.

PARK STAFF RESERVES THE RIGHT TO TERMINATE THIS PERMIT AT ANY TIME.
