GET THE ADVENTURE LICENSE (optional)

Now that you have successfully completed the safe boating course, you can check with your NY driver's license or other identification document issued by the DMV. An anchor icon will be placed on your DMV document, attesting that you have earned your boating certificate.

The advantage is that you will no longer need to carry your boating safety certificate with you. The DMV will then maintain the record of your boating certificate and automatically place the icon on your credential each time it is renewed.

New York State Adventure License Boating Safety Certificate

Thank you for your interest in the New York State Adventure License! Adding the Boating Safety Certificate icon to your Driver License, Learner Permit or Non-Driver Photo ID is not required, but is convenient as it will eliminate the need to carry multiple documents while boating.

Two options are available:

1. Immediately receive a new copy of your valid NYS Driver License, Learner Permit, or Non-Driver Photo ID with an anchor icon indicating your completion of the Safe Boating Course. In addition to the fee you paid to complete the course, there is a charge of \$12.50 to receive your new license now.
2. You may also choose to wait until the next renewal of your DMV License or Non-Driver ID. There is no fee to wait until your next scheduled renewal. The NYS Department of Motor Vehicles automatically renews Driver Licenses and other DMV documents every eight years.

Please note: For any DMV document that is suspended, revoked, or otherwise unable to be issued, the matter must be taken up in person with that department at your local DMV office. NYS Parks cannot resolve any DMV document-related issues. If you are unsure of the status of your document, it is strongly recommended that you opt in for the later icon placement, so that you don't unnecessarily lose any money in the transaction.

NYS Parks will inform you by mail if there is any issue with the issuance of the boating icon for your DMV document.

If you wish to submit another request to receive the Adventure License once the issue is resolved, please go to your local DMV office. New orders cannot be received over the phone through NYS Parks, Marine Services.
