Bat Safari
August 6th 7:30 - 9:00PM
Family Program
Enter the mysterious world of these fascinating and misunderstood creatures! Separate myth from reality during a walk around the park at dusk. As the sun sets, we will search for bats as they begin their evening insect hunt.

Intro to Fishing Clinic
August 27th 10:30AM - 12:00PM
Children’s Program (under 15)
Join us at scenic Willow Pond for a children’s introduction to catch and release fishing. Discover the different types of fishing poles, tackle, and bait, and which is best to use in a fresh water pond. View casting demonstrations and a lesson on the different types of fish that make Willow Pond their home. Then stay for some catch and release fishing! Poles, tackle, and bait will be provided. For children under age 15.

Connetquot River State Park Preserve
To Register, please visit EventBrite.com & search #NatureEdventure

Impressionist Painting on the Porch
August 7th 10:00AM - 12:00PM
Adult Program
Impressionism is a style of painting that shows life-like subjects painted in a broad, rapid style, with brushstrokes that are easily seen and colors that are often bright. We will learn about some of the most famous artists of the time as well as create our own impressionist style painting.

Butterflies & Gardens
August 20th 10:00AM - 12:00PM
Adult Program
Explore the world of butterflies! Join us for a short presentation about these beautiful creatures. Then take a walk to view butterflies in the wild, finishing with a visit to the pollinator garden.

Flashlight Scavenger Hunt
August 26th 8:00- 9:30PM
Children’s Program
Join us on this moonless Friday night for a scavenger hunt in the Preserve after dark. Afraid of the dark? This is one of the few night hikes we encourage flashlights! Light up the night sky and lets see if you can find everything on the list!

Caumsett State Historic Park Preserve
Please call for Reservations: (631) 423- 1770

Traditional Nature Walk
August 7th 9:45 - 11:45AM
Adult Program
We’ll take a slow walk (approx. 3 miles), exploring nature in the woods and tall grass meadows of the southeastern section of the park.

Salt Marsh Special
August 21st 9:45AM - 1:00PM
Adult Program
Join us for a leisurely walk through fields and forest, on our way to and from a study of salt marsh life. Because we will travel about 5 miles, we recommend that you bring drinking water. Old canvas shoes or comfortable waterproof boots are also suggested. Some sitting on grass.

Heckscher State Park
To Register, please visit EventBrite.com & search #NatureEdventure

Bat Safari
August 5th 8:30 - 10:00PM
Family Program
Enter the mysterious world of these fascinating and misunderstood creatures! Separate myth from reality during a walk around the park at dusk. As the sun sets, we will search for bats as they begin their evening insect hunt.

Sunken Meadow State Park

Fiddler Crab Frenzy
August 7th 1:30 - 3:00PM
Family Program
Have you ever wondered who makes all those little holes in the sand close to the water’s edge? Odds are, it was a fiddler crab! Join us for a walk around the marsh as we learn more about these fascinating little creatures and observe them in their natural environment!

Summer Sunset Stroll
August 28th 7:00 - 8:30PM
Adult Program
Bring your camera and your walking shoes as we try to capture the beauty of the late summer sunset from multiple angles. Enjoy an early evening stroll along the sandy beaches, forests, and marshes of Sunken Meadow State Park.

Tiny Tots Programs

Explore the natural world around us. These programs will connect children and their parents with nature through short walks, animal visitors, and crafts. Children ages 3 - 5.

Connetquot River State Park Preserve

Butterflies & Moths August 17th 10:30 - 11:30AM
Nature Discovery August 31st 10:30 - 11:30AM

Sunken Meadow State Park

Butterflies & Moths August 18th 10:30 - 11:30AM

September 2022 Nature Programs

Featured Parks

- Bayard Cutting Arboretum
- Caleb Smith State Park Preserve
- Caumsett State Historic Park Preserve
- Connetquot River State Park Preserve
- Sunken Meadow State Park
Did you know dragonflies love to eat mosquitoes? Discover the dragonfly's beautiful colors, life-cycle, and fascinating behaviors. Enjoy outdoor observation of these wonderful creatures in their natural habitat. We will even catch and release a few so you may see them up close!

Caleb Smith State Park Preserve
Please call for Reservations: (631) 265-1054

**Dragonfly Safari**
**September 3rd 10:30AM - 12:00PM**
**Family Program**
Did you know dragonflies love to eat mosquitoes? Discover the dragonfly’s beautiful colors, life-cycle, and fascinating behaviors. Enjoy outdoor observation of these wonderful creatures in their natural habitat. We will even catch and release a few so you may see them up close!

**Pond Exploration**
**September 17th 10:30AM - 12:00PM**
**Family Program**
There’s more to Willow Pond than meets the eye! Below the surface of the water lives a vibrant ecosystem! Join us for a pond scoop, where we will get a close-up, hands-on look at some of the tiny creatures that make their home in the water!

Connetquot River State Park Preserve
To Register, please visit EventBrite.com & search #NatureEdventure

**National Hispanic Heritage Month:**
**Pioneers in Science**
**September 16th 7:30 - 9:00PM**
**Family Program**
From the medical industry to orbiting the earth, Hispanic scientists and inventors have helped to shape the modern world and advance how we live today. Learn about some of the achievements of these men and women of science through some fun experiments.

Sunken Meadow State Park
To Register, please visit EventBrite.com & search #NatureEdventure

**End of Summer Lantern Walk**
**September 2nd 7:30 - 9:00PM**
**Family Program**
Have you ever wanted to explore the park after dark? Now is your chance! Join us for a night-themed walk, with the ambiance of lanterns! With any luck, we might be able to observe some of the park’s nocturnal animal residents!

**Migrating Monarchs**
**September 25th 1:30 - 3:00PM**
**Family Program**
This is the time of year when Monarch butterflies are making their way south! They make this one-way voyage south along our East coast shore line, sometimes making it as far as Mexico! Their descendants will make the return journey back up next year. Come learn more about these amazing flyers and how they make their long trip!

Caumsett State Historic Park Preserve
Please call for Reservations: (631) 423-1770

**Late Summer Seasonal Stroll**
**September 4th 9:45 - 11:45AM**
**Adult Program**
On this short stroll (approx. 1.5 miles), one of a series designed to observe seasonal changes, we will witness summer’s slow, subtle change, as she withers and goes to seed.

**Just a Hike (Serpentine)**
**September 18th 9:45AM - 12:45PM**
**Adult Program**
While questions are most welcome, there will be no formal nature discussion during this, 6-mile, hilly, moderately paced walk, thus affording walkers the opportunity to relax, socialize, and enjoy the park’s beauty. Bring drinking water.

**Northern Hikers Special**
**September 25th 8:45AM - 1:00PM**
**Adult Program**
Walk through the many habitats located in Long Island’s largest State Park Preserve! Wander through wetlands, pine barrens and oak forests while observing wildlife and native plants. We will hike approximately 6 miles to the pristine, less traveled northern section of the preserve. We will stop and have lunch along the way. Please bring water and your own lunch.

National Hispanic Heritage Month:
Frida Kahlo
**September 30th 6:30 - 8:30PM**
**Adult Program**
Frida Kahlo would paint colorful sugar skulls in much of her work. The skulls were reflections between life and death. We will create sugar skulls and use Frida’s work to help spark our creativity.

Connetquot River State Park Preserve
To Register, please visit EventBrite.com

**End for the Birds**
**September 14th 10:30 - 11:30AM**
One Fish, Two Fish

**Sunken Meadow State Park**
For the Birds
**September 15th 10:30 - 11:30AM**
One Fish, Two Fish

**Fall Lantern Walk**
**September 23rd 7:30 - 9:00PM**
**Family Program**
Have you ever wanted to explore the preserve after dark? Now is your chance! Enjoy the crisp fall air during a night-themed walk, with the ambiance of lanterns!

Tiny Tots Programs
Explore the natural world around us. These programs will connect children and their parents with nature through short walks, animal visitors, and crafts. Children ages 3-5.

**For the Birds**
**September 15th 10:30 - 11:30AM**
One Fish, Two Fish
Environmental Education and Resiliency Center

NOW OPEN
9:00 AM - 5:00 PM Weekdays
9:00AM - 6:00 PM Weekends and Holidays

The Environmental Education and Resiliency Center is a unique, hands-on learning center focused on environmental management and storm resiliency. The goal is to connect the community with the natural environment by providing outreach and educational programming.

The Center will also be used for storm response purposes. The Hempstead Lake Dam will be monitored from the center and the data tracked to assist in storm preparation and response.

LIFE'S A PICNIC!
- August 16th- August 18th Children (7+) 12:00pm-3:30pm
- August 24th-August 26th Children (7+) 12:00pm-3:30pm
Come and enjoy an afternoon in the park! From 12:00-3:30pm,
you can have a picnic in the park and take your kids to a fun
nature activity. There are different programs every day.
Register for all 3 days and enjoy the authentic Hempstead
Lake experience. Make sure the kids bring a snack as we will
be taking a break from 1:00pm to 1:30pm to eat between
activities.

TINY TOTS PROGRAMS

Explore the natural world around us. These programs will
connect children and their parents with nature through short
walks, animal visitors, and crafts.
Children ages 3-5. All programs will be run twice a day,
10:00am-11:00am and 2:00pm-3:00pm

Incredible Insects - August 5th
Fun in the Sun - August 19th

Summer Scavenger Hunt
August 7th Family 2:00pm-3:30pm
Summer is officially in full swing! Put on your sunscreen
and join us as we search the park for all the classic (and
sometimes hidden) signs of summer!
To register, please visit Eventbrite.com and search for
#NatureEdventure

Take a Hike - Leave No Trace
August 21st Family 2:00pm-3:30pm
Master the seven principles of Leave No Trace. Lace
up your boots and join us on a fun hiking adventure at
Hempstead Lake State Park!
To register, please visit Eventbrite.com and search for
#NatureEdventure

Beginner Backyard Birding
August 27th Children 11:00am-12:30pm
Explore the wonderful world of birding! Recognize the
feathery friends living in our backyard. Listen to
different bird calls and identify birds by sight.
To register, please visit Eventbrite.com and search for
#NatureEdventure

Walk and Talk - Native Grasslands
August 28th Adult 11:00am-12:30pm
Did you know that Long Island once had over 60,000
acres of grasslands called the Hempstead Plains? Let's
observe some native grassland areas in the park and
explore how beneficial they can be.

Solar Rollers
September 3rd Children (Ages 7+) 2:00pm-3:30pm
How do solar panels work? Can solar energy power a car? Discover how solar panels harness the energy from the sun. Construct solar rollers to test out in our courtyard.
To register, please visit Eventbrite.com and search for #NatureEdventure

Rock and Roll
September 4th Children 11:00am-12:30pm
Geology rocks! Observe the differences between igneous, sedimentary, and metamorphic rocks. Become scientists and observe the different types of fossils and rocks found in New York State. Explore the park and look for fossils and rocks.
To register, please visit Eventbrite.com and search for #NatureEdventure

Go Fish!
• September 4th Children (Ages 10+) 2:00pm-3:30pm
• September 18th Children (Ages 10+) 2:00pm-3:30pm
Discover the basics of fishing and build new skills as we fish around Hempstead Lake State Park. Explore new topics to help us become better anglers. This series of free programs are brought to you through a partnership with the Department of Environmental Conservation. All materials will be provided.
To register, please visit Eventbrite.com and search for #NatureEdventure

Pond Ecology
• September 11th Children (Ages 6+) 2:00pm-3:30pm
• September 25th Children (Ages 6+) 2:00pm-3:30pm
Below the surface of the water lives a vibrant ecosystem! Explore the world of macroinvertebrates with a pond scoop and we will get a close up look at some of the tiny creatures that make their home at Hempstead Lake!
To register, please visit Eventbrite.com and search for #NatureEdventure

Hispanic Heritage Month Science Experiments
September 17th Children (Ages 7+) 2:00pm-3:30pm
Appreciate the achievements of Hispanic people in science. Celebrate Hispanic Heritage Month by taking a closer look at Hispanic scientists and their amazing contributions to the world. Conduct experiments that explore concepts and designs discovered by a Hispanic scientist. Become a scientist and conduct hands-on science experiments.
To register, please visit Eventbrite.com and search for #NatureEdventure

Walk and Talk - Local Birds
September 25th Family 11:00am-12:30pm
Summer is officially over at Hempstead Lake State Park. Birds are still everywhere! Discover local birds in the area during this month’s Walk and Talk.
To register, please visit Eventbrite.com and search for #NatureEdventure

Tiny Tots Programs
Explore the natural world around us. These programs will connect children and their parents with nature through short walks, animal visitors, and crafts.

Children ages 3-5. All programs will be run twice a day.
10:00am-11:00am and 2:00pm-3:00pm

Life Cycles-September 2nd

Raptors of Hempstead Lake - Owls
September 10th Adult 10:00am-11:30am
Let’s hear it for the amazing Great Horned Owl! These owls have nested in Hempstead Lake in the past. Join us for a walk looking for great horned owls as we talk about their lives.
To register, please visit Eventbrite.com and search for #NatureEdventure

Take a Hike - Orienteering
September 11th Family 11:00am-12:30pm
Reinforce your love of the outdoors and discover the essential skills needed for a safe experience. Use the compass and map to find your way. Lace up your boots and join us on a fun hiking adventure at Hempstead Lake State Park!
To register, please visit Eventbrite.com and search for #NatureEdventure

Scavenge Challenge
September 18th Family 11:00am-12:30pm
Search for nature clues until you complete all the challenges! Using the Agents of Discovery app, you will observe different plants and animals in the park during this guided walk.
To register, please visit Eventbrite.com and search for #NatureEdventure

Cultural Crafts
September 24th Family 2:00pm-3:30pm
Celebrate Hispanic Heritage Month at the Environmental Education and Resiliency Center. Create amazing works of art inspired by the vibrant culture of many Latin American and Hispanic countries!

Power of Wind
Children (Ages 8-12)
Wind power is strong enough to move boats and make clean energy that powers your home! Learn about wind energy and how we harness the power of the wind.

Birding & Biking
Adults & Teens (Ages 12+)
Join us for a leisurely bike ride with rest stops for birding. Learn about the different habitats on Jones Beach and keep your eyes open for shorebirds, Ospreys, Warblers, Tree Swallows, and more. No experience required. Binoculars are provided—but bikes and helmets are not.

S.T.E.A.M. Workshop
Children (Ages 8-12)
Join an educator each week to explore a different topic in science, technology, engineering, art, or mathematics through experiments, art projects, and more. RSVP required.

Instrumental Photo Safari
Children (Ages 8-12)
Explore the different flora and fauna on Jones Beach and keep your eyes open for Shorebirds, Ospreys, Warblers, Tree Swallows, and more. No experience required. Binoculars are provided—but bikes and helmets are not.

Summer Crafts
All Ages
Celebrate summer’s arrival by making some fun and beautiful crafts! Bring home a fun new decoration. RSVP required.

Squid Lab
All Ages
Slap on those gloves and get your dissection tools ready because we’re diving into the anatomy and survival adaptions of the squid. Join us for a guided squid dissection for a deeper understanding of these magnificent marine animals. RSVP required.

Tuesday 7/12 | 1:30pm-2:30pm
Oceanography: Quality, Quantity, & Population
All Ages
Learn about the differences between the chemistry of seawater and ocean water, and how they affect marine life. Join us for a guided oceanography tour to see some of these differences in action. RSVP required.

Wednesday 7/13 | 1:30pm-2:30pm
Oceanography: Quality, Quantity, & Population
All Ages
Learn about the differences between the chemistry of seawater and ocean water, and how they affect marine life. Join us for a guided oceanography tour to see some of these differences in action. RSVP required.

Thursday 7/14 | 1:30pm-2:30pm
Oceanography: Quality, Quantity, & Population
All Ages
Learn about the differences between the chemistry of seawater and ocean water, and how they affect marine life. Join us for a guided oceanography tour to see some of these differences in action. RSVP required.

Friday 7/15 | 9:30am-2:15pm
