Guideline Instruction for the Installation of Tent, Canopy and or any Temporary Structure

Some of the procedures listed below are from **2020 International Fire Code Chapter 31**
“Tent and other Membrane Structures” and N.F.P.A. 102

Use period: Not to exceed 180 days in a (12) month period

New York State Parks and Recreation requirements:

- Completed tent permit application need to emailed to all three people:
Ronald.Craig@parks.ny.gov, Adam.Katz@parks.ny.gov, and LIEngineering@parks.ny.gov
- All applications are to be received at least 14 days prior to the event.
- Exit signs shall be installed at required exit doorways.
- An installation site plan is to be submitted to the Park Manager prior to installation and is to consist of but not be limited to: structure’s location on site, stake and support layout, exiting and fire extinguisher locations.
- All electrical enclosures and equipment must be rated and clearly marked for outdoor use.
- A certificate of insurance for the tent or membrane structure installer is to be submitted along with the application for the tent permit.
- A certificate of flammability rating for the material is to be submitted prior to installation to ensure the structure is in compliance with N.F.P.A. 701.
- If the tent or structure is more than 400 square feet or the canopy is in excess of 400 square feet and is to be used for seating, a floor plan of the seating arrangements is to be filed prior to approval of installation.
- Occupancy signs, when required, are to be posted in conspicuous locations inside of the tent or membrane structure.
- No cooking is to take place within 20 feet of a tent or membrane structure that is to be used for public assembly.
- Before installations make sure there are no underground utilities in the area.
- Anchorage requirements: tents shall be adequately roped, braced and anchored to withstand the elements of weather and to prevent against collapsing.
- Always make sure that the tent or structure location will not impede any emergency response apparatus to and from structure.
- No smoking shall be permitted. Suitable signs are to be placed in conspicuous locations.
- Open or exposed flame shall not be permitted inside or located within 20 feet of tent or membrane structures.
