INSTRUCTIONS FOR
AUTHORIZING BOARD RESOLUTION AND CERTIFICATION

To receive an award from a grant program administered by the New York State Office of Parks, Recreation and Historic Preservation (“OPRHP”), the governing body of your municipality must submit a duly adopted Resolution and Certification approving your municipality’s acceptance of grant funds and delegating signing authority to execute the New York State Master Contract for Grants (“Master Contract”) and any deed of easement that may be required.

OPRHP suggests utilizing the attached sample Resolution and Certification. Your municipality may also develop its own resolution and certification provided it includes, on official letterhead, all data elements set forth below:

- legal name of the municipality
- name of grant program or authorizing law (e.g., Recreational Trails Program, or Title 9 of the Environmental Protection Act of 1993, or other)
- project name
- amount of grant award
- language indicating the municipality is “authorized to accept” and/or “does accept” the grant award
- language indicating the municipality is accepting the specific grant of funds for the project described in the grant application
- The municipal office title (e.g., Mayor)* or employment position title (e.g., Director of Grants Management)* to which the governing body of the municipality is delegating signing authority to execute the Master Contract and other required agreements.

* The resolution should grant signing authority to a specific title rather than an individual person. Moreover, in the New York State Grants Gateway, the grantee should assign the role of “Grantee Contract Signatory” to the same municipal office title or employment position title delegated signing authority by the resolution.

The Resolution must be accompanied by a Certification that it is a true and actual copy of a duly adopted resolution, signed and dated by the Clerk of the municipality, and affixed with the seal of the municipality.**

**If the Clerk is the municipal officer who has been delegated signing authority in the resolution, then another officer of the municipality or its governing body should also sign the Certification.
