Further reviewed and assessed.

Highlands Trail systems and surrounding communities.

- Maintain and enhance connections to external trail systems.
- Coordinate with DEC for parking access and development of multi-use (hiking/biking/camping) trails.
- Designate some of the currently winter use only trails for summer use (biking only and hiking/horseback riding).
- Coordinate with DEC for parking access through construction of new gated trailhead.
- Designate additional multi-use trails to link the area to existing parks/campgrounds and villages.

Claro Creek Area
- Designate two multi-use trails to the area.

Trails Plan
Clarence Fahnestock Memorial State Park
