Saratoga Spa State Park

Master Plan

Legend
- Canal Access Point
- State Park
- Heritage Tree Nursery
- Buildings
- Parking Lot
- Views
- City Boundaries
- Pathways
- Trails
- Sidewalk
- Streams

Designations
- Park Preservation Area – Comprising most of the eastern portion of the park.
- Historic Area – Comprising most of the historic buildings and structures.
- Natural Heritage Area – Comprising most of the natural heritage areas.

Sites
- Seven loop trails in the main area of the park.
- Designated use areas for each trail, including walking, biking, equestrian, cross-country skiing, canoeing, and fishing.

Natural Resource Management
- Integrated plan for invasive species management
- Reduced mowing in some lawn areas
- Stormwater management improvements

Spa Partners
The park will continue to support the missions and goals of our partners, the Saratoga Performing Arts Center, the National Museum of Dance, the Saratoga Automobile Museum, the Lido-Pathom Project, Horse-Shoe-Theatre and Saratoga Spa and others.

Striping and improvements to Route 50 parking lot.

Oceanic of all old fields in the southern portion of the park through occasional mowing.

Erosion control measures on Kayaderossera Creek and Geyser Brook.

Picnic Areas and Pavilions
- New seasonal nature/interpretive center at Geyser concession stand.
- New pavilions at Peerless Pool.
- Karista Pavilion to be moved to another location.
- Move Karista restroom across center at Geyser concession stand.
- New seasonal nature/interpretation center.
- New program center in renovated State Office.
- Redesign of bath house interior.
- Reconfigure entrance road to concession area.
- New mineral bath interpretive center.
- New Visitor Center.
- Expanded kitchen facilities.
