

Red House Dam Renovation Project

Construction Area – Closed to the Public

No unauthorized Persons Permitted near the Construction Area

Notice

Do not enter construction areas around the Red House Dam embankments, roadway over the dam, bridge, spillway (above and below) bike path near spillway, lake, lake bed and stream below the dam.

These areas are off limits at all times both during work hours and non-work hours.

Your cooperation is vital for the safety of the public, park staff and our general contractors. Please obey all project signage.

We thank you for your patience while these important safety and recreational improvements are made.
