Memorial Bench Program

Belmont Lake State Park

**Parks, Recreation
and Historic Preservation**

A Gift in your loved one's memory:

Does Belmont Lake State Park hold a special meaning to you or your loved one who has passed? Would you like to keep the memory of them during happier times flourishing in your heart?

Imagine sharing your love of someone who has passed by memorializing them with a bench placed alongside the beautiful lake at Belmont Lake State Park.

Each and every time your bench is used, you are contributing to someone's enjoyment of watching the beautiful view of the lake, enjoying one of the most beautiful experiences our park has to offer.

When you purchase a memorial bench, you will be able to decide, in collaboration with park management, where your bench will be located. You will also be able to add an inscription of your choice to your bench, making sure that your loved one is remembered the way you would like them to be.

Working alongside the park staff, you can be sure that your loved one's bench will be handled with care.

Please call (631) 667-5055 for more information.

Memorial Bench Program

The New York State Office of Parks, Recreation and Historic Preservation has initiated a "Memorial Bench Program." This program enables you to memorialize a loved one while at the same time support the ongoing beautification of Belmont Lake State Park through the Natural Heritage Trust.

A memorial bench donor will have a newly fabricated 6 ft. bench placed along the lake of Belmont Lake State Park at a location of their choosing. A memorial plate 2 inch x 10 inch will be affixed to the bench and will include an inscription determined by the donor.

Proceeds will be used to help fund various projects to beautify Belmont Lake State Park, while at the same time, helping to ensure that your bench is cared for by park staff.

If you are interested in purchasing a memorial bench in memory of a loved one, please complete the attached form and send a check, made payable to the "Natural Heritage Trust" in the amount of \$2,500.00 to:

**Memorial Bench Program - Belmont Lake State Park
P.O. Box 247 Babylon, NY 11702**

If you have something else in mind to memorialize a loved one, such as a tree, or a special project you would like to donate to the park, please call (631)667-5055 and we will work with you!

**Benches will be made with IPE wood and black metal bench ends (as pictured on front of pamphlet). Approximate delivery of bench is 6-weeks from order. State Parks will guarantee that the plaque and bench shall be maintained for a period of 20 years.*
