place caches for next year's NYS Parks Challenge?
 yes no

Would you be interested in volunteering with NYS
Parks for other events? yes no

Verification and coins available at parks listed on back
of brochure indicated by a * (coins avail)

Park Representative: _____

Date: _____

How to Play the Game

Pick up a Central Region Geocache Challenge Passport at a participating park or historic site office, or download a copy from www.nysparks.com.

Go to www.geocaching.com to get the coordinates for each cache in the challenge, and then plug them into your GPS unit or download the app.

Go to each of the participating parks and historic sites.

When you find each cache, sign the logbook and look for the unique stamp in each cache to stamp your passport. You may take or trade items in the cache, but leave the stamp behind for other cachers!

When you find caches at a park or historic site, feel free to stop by the park office and let us know how it went.

We love to see your photos! Share your photos on either geocaching.com or on our Facebook pages.

When you have successfully stamped your passport with 45 of the total 70 caches, you will be eligible for a highly collectible, unique, and trackable geocoin. Bring your completed passport to any park listed on the entry form before November 11, 2019 (Veteran's Day). Staff will verify that you have completed the challenge, and you will receive your trackable geocoin.

Expand your travels and visit the Saratoga-Capital District Region and Taconic Region. Find any 10 caches in their challenges and they will count toward your goal of 45 caches in the Central Region Geocache Challenge!
