SUNRISE (1-27) NON-ELECTRIC

Sunrise campsites are non-electric sites that are in a heavily wooded area, this would be the best area for those looking for more primitive camping area. Located behind the park office, this area has one restroom/shower building and one restroom building. A small playground is available near site #22. Pine Grove picnic shelter and Bog Trail are both accessible from Sunrise.

CHIPMUNK BLUFF (60-192) NON-ELECTRIC AND ELECTRIC SITES

Chipmunk is the largest campground with 4 loops of campsites, loop 2 (88-116) has 50 AMP electric service and loop 3 (117-150) has 30 AMP electric service. Located across from the Pine Plains picnic shelter, Chipmunk Bluff is a more open area that is very convenient for those looking to rent several sites near each other. This area has two restroom/shower building and small playground. Most sites are separated by either a line of brush or small tree line. Sites bordering the park road: 60-70, 182-184, 186, 188, 190-192; Site near bluff: 163, 165, 166, 168, 170, 172, 174, 176, 178-181.

PINE BLUFF (193-218) 50 AMP ELECTRIC SITES

Pine Bluff campsites are all electric, with pine trees on every site. Located on the hill past the beach area, Pine Bluff is the closest campsites to the beach and golf course. There is one restroom/shower building and a small playground. Cabins 21-25 are located just behind Pine Bluff.
