## RULES AND REGULATIONS FOR VOLLEYBALL

- Official USVBA (United States Volleyball Association) beach play rules will be in effect throughout the tournament.
- At the time of registration, a list of team members, their addresses and telephone numbers, a team name, and a designated captain and co-captain **MUST BE SUBMITTED**. Players can register for ONE TEAM ONLY. Violation of this regulation will result in ELIMINATION of the second team. \*\*In the event that either the 4 or 6 player division roster is not full by Friday, July 7, it is only at this time that teams will be allowed to submit an application for both divisions. A separate application must be submitted. We will only offer this opportunity if space is available. We will not accept any applications for a second team prior to this date.
- Substitutions or additions may not be added to the original roster after check in. All rosters are final after check in.
- Check in 1/2 hour prior to start of first game. **All 6 & 4 player games will start promptly at 9 AM.** All games will follow the prearranged time schedule which will be **strictly enforced**. **All teams MUST be checked in 5 minutes prior to 9AM.** If team doesn't check in by this time, the team will be eliminated from the tournament and a waitlist team will be substituted. For each game following, teams will have 5 minutes to be ready to play on their assigned court, if team is not present within 5 minutes, they forfeit the game. This rule will be strictly enforced.
- Team members **MUST** wear tournament t-shirts during all games. Failure to wear the tournament t-shirt will cause the player to be **ELIMINATED** from that day's play. If this elimination causes a team to have less than six/four players or fall below the men/women ratio, the team must forfeit their game.
- Any member of the team may hit the ball during play. A female player does not need to contact the ball. Open hand receives are permitted as long as it is a legal hit.
- First round of matches will be played as a **Round Robin**. All matches during Round Robin play will start **promptly** every 20 minutes. Matches may start earlier than assigned time if the assigned court is available. Each team will play all teams within their bracket **ONCE** in a 21 POINT RALLY GAME. Teams will switch courts every 7 cumulative points. First team to reach 21 points will be deemed the winner. Six player division will be in brackets consisting of 8 teams, guaranteeing each team 7 games. Four player division will be in brackets consisting of 6 teams, guaranteeing each team 5 games. For each match won, that team earns 1 point. The top two teams with the most points/wins at the conclusion of Round Robin play will advance onto the quarterfinals.
- In event of a tie, a head-to-head will be used to determine the winner (ie: if team A lost to Team B, Team B will be seeded 1st, Team A will be seeded 2nd). In the event of a 3 way tie, a cumulative head-to-head will be used. The 3 scorecards will be pulled and number of points scored will be totaled to determine who is seeded 1st and 2nd. If there is still a tie, the tied teams will play each other in a sudden death game, using rally point scoring. The first team to reach 10 points will advance onto the quarterfinals.
- Quarterfinals will be single elimination, consisting of one (1) 21 point rally game.
- Semifinals and finals will be played as a single elimination tournament. All matches will consist of two out of three games using RALLY SCORING (first 2 games: 21 point rally, third game 15 point rally, 17 point cap). During first two games, each team will switch courts at the CONCLUSION of those games. Each team will switch sides when lead team reaches 8 points **ONLY** during the third game. A coin toss will be conducted for the deciding game of the match.
- Center line violations are called only when there is **INTENTIONAL** interference with an opposing player.
- Blocking or spiking on the served ball is **NOT PERMITTED**.
- Volleyball players only will be permitted in the court area.
- No jewelry will be permitted during play except for flat wedding bands and post earrings.
- Soda chits will be distributed to captains during check in. Two chits, per registered player, will be distributed.
- Chits are valid until 7 PM and for that day's play only.
- Rosters may be checked at any time during the tournament by officials and/or tournament director.
- Any team or team members caught stealing any banners and/or volleyballs will be eliminated from the tournament.
- You must have a photo I.D. with you at all times throughout the tournament. All players are subject to photo I.D. checks. Players that do not have photo I.D will be eliminated for play of that day. If this causes a team to have less than 6/4 players or men/women ratio, the team must forfeit. This includes the championship round of play.
- Judgment of the official is final.
- Teams found with non-roster players will be eliminated from the tournament.
- No alcohol permitted.
- A \$10.00 vehicle use fee will be in effect for ALL players. Participating in this tournament doesn't waive this standard, daily, vehicle use fee.
- All teams must confirm participation by Thursday, July 13 at noon. If we do not hear back from you, a waiting list team will be substituted. (NO EXCEPTIONS)
- In the event, a check-in team forfeits the 1st game and they still do not have a complete team, a waiting list team will be substituted to play the remainder of the tournament.
- No open hand dinks over the net; only knuckle or close fist hits over the net are allowed (during one attempt to hit the ball)
