

Minnewaska State Park Preserve Property 2017 Hunting Regulations

Hunters are responsible to understand and obey these regulations. Violations may result in revocation of park hunting privileges and/or legal prosecution

1. A valid NYS Hunting License is required to hunt in the Park Preserve. Hunting is permitted in accordance with State and Federal laws and regulations and hunters must present a valid hunting license upon request. Minnewaska State Park Preserve's WMU is 3J, which requires that any buck taken must have at least one antler with 3 or more points which are at least one inch long. Hunters under 17 are exempt from the three-point requirement. This restriction applies in all deer hunting seasons.
2. All hunters must hunt in the designated hunting area ONLY.
3. **DEER HUNTING ONLY** on any Minnewaska State Park Preserve property, no small game, birds or bear.
4. No discharging of any firearm within 200ft of any road, carriage road or trail or across any road, carriage road or trail.
5. Hunters must report any deer hunting success. To report your success call the Minnewaska Park Preserve office at (845) 255-0752.
