

Park Alert: TRAIL CLOSURE

The following trail will be **CLOSED** seven days a week to **ALL PATRONS** for the duration of the project:

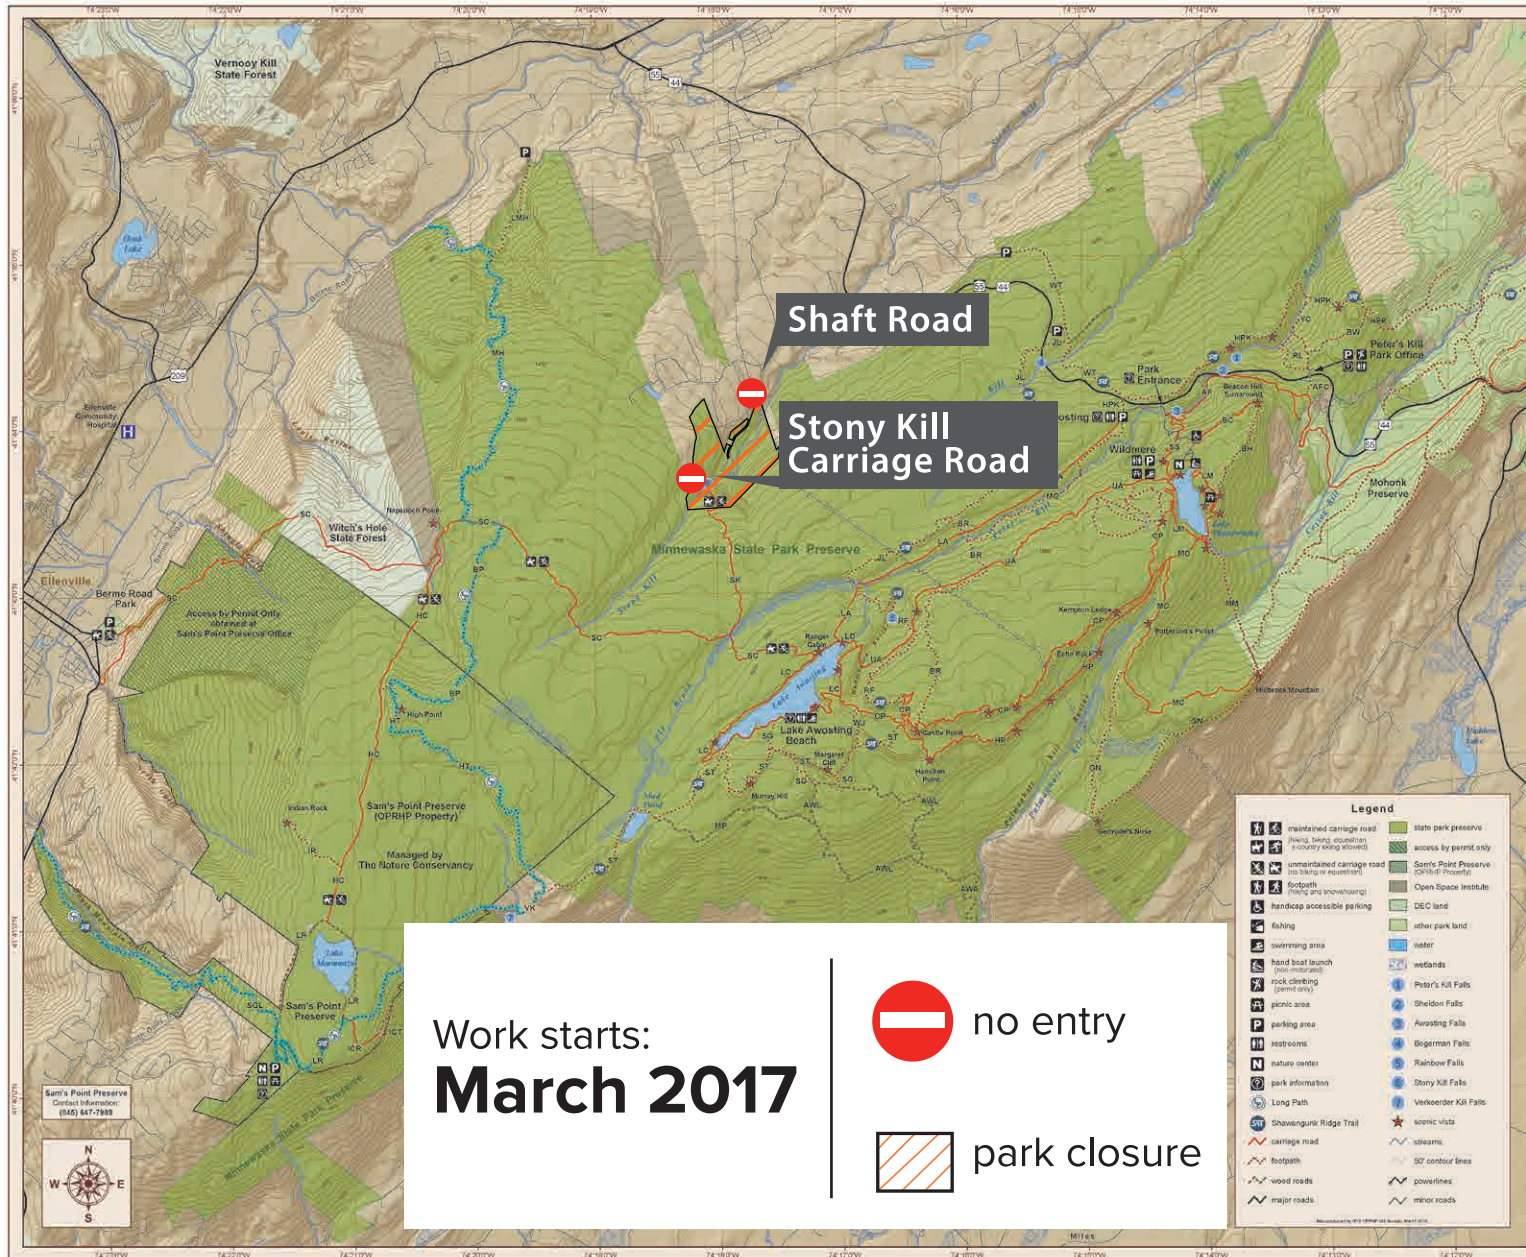

Stony Kill Area

The Stony Kill Area is closed to all users seven days a week effective April 1, 2017 through the completion of the trail project.

The area is closed for your safety, as contractor work poses a potential danger to visitors. The area will be reevaluated as the project progresses to determine if we can allow partial access, please call the park office for any updates. Please adhere to posted closures.

Thank you for your cooperation.
