

Volunteer Opportunities

Rockefeller State Park Preserve

Environmental Steward: Our forests, fields, and wetlands provide important habitat for birds, amphibians, reptiles, mammals, pollinators, and insects. Join our environmental stewardship team to combat the major threats to our environment head on! Whether you're digging up invasives or planting native trees, you'll be learning about what you're doing every step of the way! Days and times vary. No experience necessary. Sign up on Eventbrite or with the contact info below.

Events: The Preserve and our Friends group always need extra hands to help with the 10K race (Spring), the 5K race (Fall), the Ramble and Gamble Horse event (Fall), and more!

Tree Peony and Fern Garden: Help care for the Preserve's spectacular Tree Peony Garden and Fern Garden. Volunteers are particularly needed in spring and fall, and on weekdays. No experience necessary.

Corporate Work Days: As staffing permits, Rockefeller Preserve hosts volunteer workdays for corporate, church, school, and other groups of between 10 and 20 people. These workdays are a healthy opportunity for groups to engage in team-building and fulfillment of social responsibility goals while benefiting the environment and spending time outdoors.
