

All provisions of the New York State Environmental Conservation Law shall apply to hunting within Schodack Island State Park, except as further restricted in the following regulations.

LICENSE AND SPECIAL PERMIT REQUIRED

All persons hunting within the boundaries of Schodack Island State Park must have a valid NYS hunting license, archery license, muzzle loading license and/or turkey permit as required by Environmental Conservation Law. A special permit, issued by Schodack Island State Park, is also required. Permits can be obtained at the Park office, at no charge. No person shall be entitled to the privilege of hunting in said park unless he or she has on their persons said permit properly filled out, and shall exhibit permit upon the request of a police officer or park representative.

PERMIT FORM

A hunting permit shall consist of a current valid hunting license stamped with the Parks validation stamp as well as a separate SIGNED permit for each license issued. (Big game, small game, fall turkey, archery and muzzleloader.) Schodack Island State Park reserves the right to request a valid NYS issue Hunter Education or Bow Hunter Education Certificate.

Why a permit? The mandated permit has a very important purpose, which I serve as a basis to establish a sound game management program.

The purpose is to ascertain from the number of permits issued; the numbers of persons hunting or intending to hunt in the park area, and to make certain all persons hunting on the lands of Schodack Island State Park have complied with license requirements of State Law.

. SPECIAL REGULATIONS

No Night Hunting of any kind on Schodack Island shall take place.

The hunting of deer WITH MUZZLELOADER OR SHOTGUN is permitted during their respective season pursuant to the applicable provisions of the Environmental Conservation Law. With the above exception, **the possession of rifles of any caliber or handgun, of any type is strictly prohibited.**

- Hunting permits do not apply to privately owned lands.
- **TURKEY HUNTING** is permitted in the fall season only. Proof of a turkey hunting license and a park permit are required. Turkey hunting in designated areas only.

- All trapping on Schodack Island State Park lands is strictly prohibited.
- No motor vehicles off the improved or paved surfaces. Parking in designated lots only. No parking along roadways.
- No snowmobiles or all terrain vehicles may be operated in Schodack Island State Park.
- Hunting within 500 feet of any building or road is strictly prohibited.
- No structures of any kind can be erected.
- Tree stands must be climber style or lock on. All stands must be removed daily. None marring stands and no nails for fasteners allowed in trees
- Schodack Island State Park is a Carry In / Carry Out facility. Failure to abide by this regulation will result in the revocation of this permit.
- All hunting will cease as of February 28th of each year.

I CERTIFY I HAVE READ THE ENCLOSED REGULATIONS RELATIVE TO HUNTING AT SCHODACK ISLAND STATE PARK AND HERBY AGREE TO ABID BY THOSE TERMS.
